AIR COMPRESSOR LAND ROVER DISCOVERY 3, 4, RANGE ROVER SPORT

A revolutionary Design to Piggy back a high pressure aftermarket compressor to assist or replace your ailing original Air Suspension Air Compressor. It consist of a 100% Duty Cycle Imported from the USA unit, which tees into the existing system. It also allows you to pump up your wheels as well as jumping a tyre back on it's rims by using the stored energy in the original tank.

This basic system is an easy DIY installation.

The Air Hose together with a quality gauge and chuck is available as an extra.
